

TERMS AND CONDITIONS

1. Eligibility

- Suppliers must provide proof of legal registration, a valid tax compliance certificate, and business permits.
- Suppliers must not be debarred or suspended from participating in public procurement.

2. Submission Requirements

- Suppliers must complete the registration process by submitting all required documents accurately and within specified deadlines.
- Suppliers must provide valid bid security where required.

3. Technical and Financial Capacity

- Suppliers must demonstrate adequate technical, financial, and operational capacity to perform contracts.
- Suppliers must provide references for past performance in similar contracts where applicable.

4. Ethical Conduct

- Suppliers must adhere to ethical procurement standards, including non-involvement in corrupt or collusive practices.
- Suppliers must declare any conflicts of interest.

5. Preference and Reservations

- Suppliers from youth, women, and persons with disabilities (PWDs) categories are eligible for preferential treatment as per government policy.

6. Compliance with Laws

- Suppliers must comply with all relevant laws and regulations, including anti-corruption and competition laws.

7. Debarment and Termination

- Suppliers may be debarred from the portal if they fail to meet contractual obligations or engage in unethical practices.

8. Complaints and Dispute Resolution

- Suppliers can seek redress through the Public Procurement Administrative Review Board (PPARB) for disputes related to the registration or procurement process.
